

APPLE TV INSTRUCTIONS - Silver Remote

←Instructions for Apple remotes that look like this.
If your remote is silver please refer to silver Apple Remote Instructions.

Turning on your Apple TV

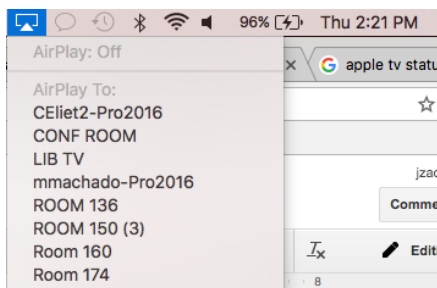

- Push the menu or home button on your remote to wake up the Apple TV.
- Ready to go when white light is on.
- When you see the Home Screen Apple TV is ready to use.

If you do not see the Apple TV Home Screen:

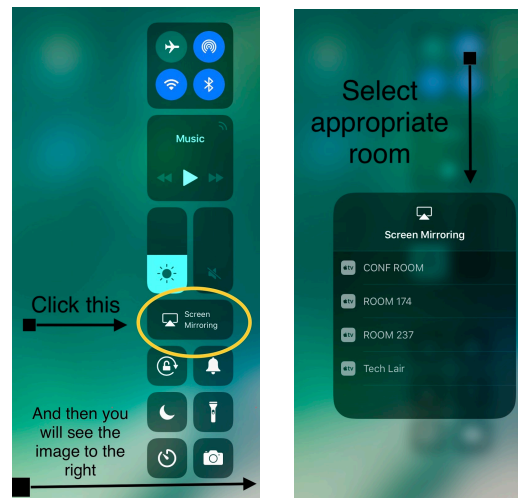

- Verify that the Apple TV status light is on
- Check that the input on the projector is set to HDMI 2. Use the source button on your projector remote to switch.

Connect your device via the AirPlay on your computer or iPad

On the **computer** select the room from the AirPlay drop down. See below:

On the **iPad**, swipe up from the bottom of the screen and scroll over to Screen mirroring on the left and select the appropriate room. See below:

- If you do not see the Apple TV in the AirPlay list restart your iPad or Computer
- Once you have established a connection and if you have issues with the Apple TV performance restart the Apple TV. To restart your Apple TV using your Apple TV remote select **Settings > General > Restart**

APPLE TV INSTRUCTIONS - Silver Remote

- If restarting doesn't work, you can connect your iPad or Computer with an HDMI cable and change the input on your projector remote to Computer 1. If using an iPad you will need a Lightning Digital AV Adapter (Pictured right). If problems persist please contact the Tech Department.

Tips and Suggestions:

- If you see a home screen with Movies click the Menu button to exit that screen.
- Always be prepared with iPad adaptor, Computer adapter, Apple TV remote, Projector Remote
- Get connected 5 minutes before class. This will give you time to troubleshoot if there are problems.
- If you are not familiar with the process, practice until you are comfortable.
- If it seems like the remote isn't working please contact the Tech Department for a new battery.
- If you still have questions, don't hesitate to make an appointment to practice with someone in the Tech Department.
